

THE HARTSTENE NEWSLETTER

OCTOBER 1976

VOL. 1 NUMBER 1

This is the first issue of a new quarterly publication, THE HARTSTENE NEWS LETTER, by the Community Club. Its purpose is to better acquaint you with your community. It is just one part of a plan to develop and expand our Club. The main goal of this newsletter is to inform all Islanders of upcoming events and also of changes planned for the Island that could possibly effect all residentsin time to have a voice in these changes.

The Club's present members are launching a program to enlarge and expand both the activities and membership of the Club. Many suggestions along this line have been made and you as an Islander, are encouraged to bring any other ideas YOU might have to the Club meetings, the second Friday of each month.

Last month, President John Laubach announced four committees to accomplish these goals and put them into action. The committees and their respective chairmen are: Hospitality, Marilyn Laubach; Membership, Shirl Larson; Publicity, Carmel Yates; and Entertainment, Helen Olson.

The first three committees will serve for one year. Due to the time and effort involved the members on the Entertainment committee will only be asked to serve a six month term and be responsible for two events during their term.

members of the Hospitality committee will call

on new residents and help acquaint them with the Island and their neighbors. This committee has already launched this program by calling on several new Island families.

The membership committee will be working to develop more interest in the Club and enlarge the membership. Plans are to have 'helpers' in each neighborhood in the various areas of the Island who will contact their neighbors to inform them of meetings, events etc.

The Entertainment committee has planned for their first effort, a pot luck dinner to be held on November 12th at 6:00 P.M. It will be followed by Private Bings. Also there will be a Deer Prize worth \$10. Bring the whole family! And in December there will be, the new traditional and Island famous, Christmas Party.

The Publicity committee will be responsible for this newsletter, four times a year to help keep you informed of events and the progress of our goals. It will also include bits of Island history as time and space permit.

All of this, however, cannot succeed without YOUR involvement. Friendliness invites friendliness. So come to the November 12th event and help spread a whole bunch of friendliness!!
